Subject: 2021-70 Radio Tower RFP

Hi Kevin,

In reference to bid 2021-70 'Re-Erect Existing Emergency Communications Tower' and further to the review of the proposals submitted and publically opened on Tuesday, July 27th, 2021, at 10:10 AM, please be advised that I am satisfied that the apparent low-bidder, Mid America Towers, Inc., has included all items set forth in the RFP dated July 2nd, 2021, and subsequent Clarifications included in Addendum Number 1 dated July 16th, 2021.

It is my recommendation that we include cost for the design and construction of re-erecting the existing emergency communications tower and all antenna options presented on Addendum Number 1, for a total cost of \$310,682.00.

It is also my recommendation to present this information for review and approval by the Will County Executive Committee on Thursday, August 12th, 2021.

Please let me know if any additional details are required.

Thank you
Tom
