### 2023-33 Elevator Maintenance – Will County

#### Addendum #1 – September 14, 2022

We received the following questions regarding this RFP:

Question #1 Is there a dedicated number of hours (monthly/quarterly) for maintenance?

**Answer #1: No there is not a dedicated number of hours**

Question #2: Page 21 shows “quarterly cost” and “annual cost”. Pages 22 through 28 show “quarterly cost” and “extended cost” Can you please confirm that pages 22 through 28 should show “quarterly cost” and “annual cost”?

**Answer #2: Yes, Pages 22 through 28 should show/read “quarterly cost” and “annual cost”**

Question #3: Page 20 – Can you please verify the ThyssenKrupp Elevator models at 16911 W. Laraway Rd. and 501 Ella Ave.? Not seen on walkthrough.

**Answer #3: 16911 W Laraway: Model #s are Thyssen MRL TAC 32. 501 Ella Ave: US614528 - Unit Serial Number EEP444 – Manufacture TKE – Controller TAC 32 (photo attached)**

Question #4: Page 20 – The two elevators that serve 8 landings at 57 N. Ottawa are listed as Smart-Rise. These are Swift Futura, confirmed on walkthrough.

**Answer #4: The Ottawa side elevators are Swift Futura.**

Question #5: Page 20 – 3200 W. McDonough listed as two Smart-Rise/Virginia Controls. It can only be one or the other, not both. Please confirm. Not seen on walkthrough.

**Answer #5: Virginia Controls.**
