

The Office of the Will County Coroner is a law enforcement agency, which, as part of the system of checks and balances, investigates deaths outlined by state statutes that occur within the county. Also, by Statute, the coroner is a law enforcement official, and has those additional responsibilities as outlined by the Statutes. When a deputy coroner acts on behalf of the coroner, he or she acts with the same authority, and has the same responsibility as the coroner.

It is the purpose of this office to do professional death investigations. We want to do this by making a commitment to “care for the deceased and concern for the living”.

We recognize we must work within the economic framework prescribed to us by the Will County Board. The 2026 operating budget for the Will County Coroner’s Office is \$3,701,206. At this time, the Will County Coroner’s office has the following employees and division.

We are located at 16857 W. Laraway Road in Joliet, IL 60433.
